

CAR PARKING, PUBLIC TRANSPORT AND DISABLED PARKING

Car Parking and Public Transport

Spectators who buy a Day Pass or the Alba Rally Pass can choose their own itinerary including the stages they wish to visit and the car parks they want to use.

Availability at any car park will be on a first come, first served basis and is not guaranteed. To avoid disappointment, spectators should arrive at their chosen car park in plenty of time as spectators who buy tickets on the day will also be trying to access the car parks. The online Rally Planner will provide car park opening times.

With the exception of the Ceremonial Finish at Stirling Castle, the majority of stages are located off the beaten track and therefore access by public transport is not feasible. There will be no spectator car parking at Stirling Castle – instead a park and ride service will be in operation – more details available in due course.

Disabled Parking

All spaces are allocated on a first come, first served basis. All disabled persons wishing to gain access per the following schedule will need to display their official disabled Blue Badge.

- Special Stages 3 & 6 Craigmear (car park B only)
- Special Stages 10 & 12 Loch Ard
- Perth Service Park
